EPIC (Electronic Profile Information Center) provides a simple way to deliver profiles online via the internet. After you purchase an **EPIC Account Set-Up** from **Jerome Consulting**, you will have access to all of Inscape Publishing's online profiles. From your PC, you can administer access codes worldwide that allow people to complete any assessment online. Once a respondent finishes answering the questions, the resulting report goes to the respondent or to you — you decide. **EPIC Credits** is the term to describe the "currency" used within the EPIC system. Varying amounts of EPIC Credits are needed to issue access codes for individual reports & to generate group/facilitator reports. EPIC Credits are purchased from **Jerome Consulting**. Most of our clients buy a reserve of 1,000+ EPIC Credits to use throughout the year.
